

cause con

Announcement Draft

Jesus cares about what we do for a living, our vocations, our calling, and how we spend our time. We know that there are lots of things worth our time and attention but we believe that the Kingdom of God really is the cause worth living and dying for.

Cause Con is an opportunity for young adults (18-30) to explore what it really means to live like the Kingdom is your cause, to ask your tough questions and dialogue with other young adults about your dreams for your lives and the church.

The conference will be held in Kansas City at the Vineyard of Overland Park April 12-14 2018.

It includes:

- Main sessions about vocation, calling, and leadership
- TED style talks from folks living out in the kingdom in their careers
- Transforming worship and prayer
- Face-to-face time with lots of leaders from around the Vineyard
- Opportunity to interact with Vineyard organizations like Multiply Vineyard, Vineyard Worship, Vineyard Justice Network, Vineyard Missions, Vineyard Women, and more
- Breakout sessions on topics like women in ministry, discernment, theology and more.

We'll share meals and laughter, worship together, pray for one another, and ask how God is inviting us to join his cause. Road Trip with us to Kansas City!
